

Mount for Wood Poles - Four Light Version - Galvanized Steel - Mounting Bracket for Sports Lights

- **HEAVY DUTY** Compare the size! heavy duty design. There are cheaper smaller brackets but only ours ensures the bracket and light stay up and last. Protective paint ensures long lasting finish. Does not include hardware.
- **LARGE INDUSTRIAL SIZE** Bracket supports the weight of 4 LED sport/stadium lights perfectly.
- **FLEXIBLE USES** - Designed to allow you to mount 3-4 LED sport lights so you can get the most out of your wooden pole.
- **EASY INSTALL & INSTRUCTIONS** Bracket is easy to install. Bolts up right against the pole(Hardware not included) and allows for multiple light installations per pole.
- **QUALITY AND WARRANTY** High quality design is backed by our 5 Year Warranty.
